Point of View: Working toward more Cuban products in the tourism sector

The recently concluded International Tourism Fair (FITCuba 2018) marked record participation (3,000 participants from 62 nations). Through May 18, Cuba had received two million international visitors this year. The figures are promising, but they are no accident. Making Cuba an attractive, safe, and comfortable destination for its visitors, and ensuring a profitable tourism sector that in turn contributes to the development of the country, entails joint efforts.... »
