TTC Special: Golf in the Caribbean grows

Golf, a game that some have described as aristocratic, is one of the most popular games that the Caribbean islands offer today to tourists. The modern game of golf originated in 15th-century Scotland at the usual level is played on a course with an arranged progression of 18 holes over wide country areas of slight undulations and short grass frequently near the sea...

Point of View: Eco-tourism, traditional farming life and the greening of red Cuba

By not participating in the ravenous capitalism of the second half of the 20th century, Cuba avoided much of the environmental degradation seen elsewhere, which prompts the question: could it be the ideal eco-tourism destination, where the concrete spread of modernity has not yet smothered all before it?... »
