SPECIAL FEATURES

TTC Special: War in the Caribbean against climate change

TTC Service.- A collective effort in the Caribbean Sea faces climate change, which is silently damaging marine life. One of the Caribbean projects against climate change will assist in research, monitoring, and designing adaptation strategies in the hope that corals of the Mesoamerican reef and its coastal communities will be able to withstand warmer sea surface temperatures, ocean acidification, sea level rise and coastal flooding in the decades to come..... »

TOURISM

Point of View: World Awards Back Cuban Tourist Destinations'

Quality

Cuba holds today various awards that distinguish its accommodations and tourist destinations as some of the most outstanding in the area, and even in the world. Thus, during the last weeks of 2018, the Buenavista and Paradisus Rio de Oro hotels, both belonging to the Melia Cuba hotel chain, received the Condé Nast Johansens 2019 Excellence Award for the region of Canada, the United States, Mexico and the Caribbean..... »

TOURISM

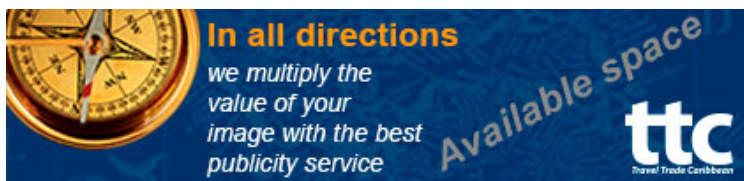

It's official. Mexico: Hoteliers bet on tourism boom

Mexico hoteliers are making a major bet on the country's tourism boom, according to a report of El Financiero magazine. Hoteliers will open 352 new hotel properties by 2022. City Express Hotels leads the way with the most growth. The company plans to add around 80 new accommodation units to its portfolio..... »

TOURISM

Air Europa will expand its long-haul service with 8% more seats in 2019

Madrid. - The opening of new transoceanic routes and the gradual addition of five new Boeing 787-9, three with seating for 333 and two with seating for 339, will translate into an 8.5% increase in the number of long-haul seats that Air Europa will offer in 2019..... »
